

FROM CAPE MAY.

Breaking Up of a Den of Thieves.—The Arrest of the Robbers by the Farmers and Villagers. From Our Own Correspondent.

DRINKSVILLE, Cape May County, N. J., Feb. 27.—For a few days past Cape May has been the scene of considerable excitement, in consequence of the breaking up by the people of a den of thieves, and the arrest of the whole gang, numbering seven. For years they have infested the county, plundering and stealing from one end to the other, and some of them had already been inside the walls of the State Prison. Being a bold, wicked set of men, they were known only to be feared.

The circumstances which at last aroused the people, and which led to the raid upon them and their subsequent arrest, are as follows:—On the night of the 8th instant, Mount Pleasant and Seville Stations, on the Cape May and Millville Railroad, were broken into and plundered of property to the value of several hundred dollars. It was then generally believed that this same gang were the perpetrators. Since then various persons have had their out-houses, stables, hen-roosts, etc., plundered, and on Wednesday night, 23d, Drinksville became the scene of their operations, and a number of families were heavy losers in consequence. On Thursday various consultations were held among the people of the village, and it was decided that on Friday morning a large force should make a raid upon the settlement, which lies in the woods between Drinksville and the Court House, and, if possible, recover the stolen property. Numbers joined them from neighboring villages, and the party, numbering about fifty, proceeded in wagons to the suspected territory. Here they were not long in making discoveries even beyond their expectations. Not only the goods which had so recently been stolen were found, but some were identified which had been missing as long as two years, some buried in boxes and barrels, some between the weather-boards and plaster of the houses, most of them being found in the woods surrounding their miserable habitations.

Upon this evidence warrants were issued for their arrest. The ringleader was overtaken by Constable Chester some miles away, and when brought to bay showed fight, when Chester knocked him down with the butt of his pistol and secured him. His name is Faceymer. Five others were arrested on that day—three of them named Garrison, one Colwell, and one Corson. On Saturday the search was continued, and another arrest made—the elder Garrison.

All were lodged in jail, and on Sunday Sheriff Steelman, fearing an attempt to break jail, placed an extra guard outside, well armed. Proceeding inside, he warned the culprits as to what would be the inevitable result of any attempt on their part to gain their freedom, and also drew from them confessions as to where other goods were secreted, which had thus far failed to be discovered.

It is to be hoped that they will receive what they justly deserve, a long sentence to the State Prison, and the community thus freed from such depredations for years to come.

MUSICAL AND DRAMATIC.

The City Amusements. At the Walnut Mr. and Mrs. Barney Williams appeared last evening, to a moderately-filled house, in the Irish drama of 'The Forty Thieves,' the farce of 'The Customs of the Country,' and the comedietta of 'Who Speaks First?'

At the Arch Lotta commenced an engagement last evening to a well-filled house, and delighted her admirers by performing six different parts in John Broome's production entitled 'The Little Detective.' Lotta is as vivacious as ever, and she has apparently lost none of her popularity. The performance last evening differed in nothing from others she has given in this city, and therefore does not call for particular comment.

The Little Detective will be repeated this evening. At the Chesnut a large audience was in attendance last evening to witness Mr. Davenport's great performance of 'Sir Giles Overreach' in the play of 'A New Way to Pay Old Debts.' The play was remarkably well represented and Mr. Davenport's superb acting excited the utmost enthusiasm.

A New Way to Pay Old Debts will be performed again this evening. At Concert Hall the child violinist, American, Signora Roselli, Mlle Frieda de Gebele, Herr W. Lotli, Mr. Albert Laurence, and other artists will appear this evening in a grand concert.

At the Museum, Ninth and Arch streets, a dramatic performance will be given this evening. A matinee to-morrow.

At the American a miscellaneous programme will be given this evening. At the Assembly Building the two-headed girl may be seen this afternoon and evening.

The German Opera.—The sale of subscription tickets for the season of nine performances of German opera to commence on Friday evening next at the Academy of Music will be held to-day, only, at the music store of F. A. North & Co., No. 1026 Chesnut street. The sale of single seats will commence to-morrow. The troupe includes Madame Lichtman, Madame Frederic, Madlle E. Kogman, Madlle Hafner, Messrs. Habelmann, Carl Bernard, Himmer, Vierling, W. Formes, Franosch, Steinecke, Carl Formes, and others. The operas announced are 'The Tiesman,' 'The Huguenots,' 'William Tell,' 'Freischuetz,' 'Fra D'Arco,' 'Stradella,' 'The Magic Flute,' and 'Trovatore.'

CITY ITEMS.

BURNETT'S FLORIMEL.—An exquisite perfume. Mr. WILLIAM W. CASBIDY, the jeweler at No. 8 South Second street, has one of the largest and most attractive stocks of all kinds of Jewelry and Silverware in the city. He has also on hand a fine assortment of the American Western Watches. Those who purchase at this store at the present time are certain to get the worth of their money.

WHITCOMB'S ASTORIA REMEDY.—Sure cure. THE APPROACH of warm weather, with the old difficulty of keeping provisions in a good condition, reminds us that we will need a good and reliable Ice Chest or Refrigerator. The fault of most of the different makes of refrigerators is that they sweat. When the atmosphere is made suddenly cold to preserve meats, etc., sweet, there is no moisture, and whenever there is any appearance of moisture or sweat it is a sure indication that the temperature is too mild for the purpose. The Star Refrigerator manufactured by Messrs. Bozorth & Supple, we believe to be entirely free from this objection, and the makers give the best evidence of their confidence in it by guaranteeing it to preserve a perfectly dry atmosphere, or the money refunded to the purchaser.

They are issued for the sole purpose of building the extension from MILTON TO WILLIAMSPORT, a distance of 30 miles, and are secured by a lien on the entire road of nearly 100 miles, fully equipped and doing a flourishing business.

When it is considered that the entire indebtedness of the Company will be less than \$16,000 per mile, leaving out their Valuable Coal Property of 1900 acres, it will be seen at once what an unusual amount of security is attached to these bonds, and they therefore must commend themselves to the most prudent investors. An additional advantage is, that they can be converted, at the option of the holder, after 15 years, into the Preferred Stock, at par.
